

TONAWANDAS GATEWAY HARBOR, INC.

GATEWAY MARKET FOOD TRUCK THURSDAYS

REGISTRATION FORM

Gateway Market Thursdays is for Food Trucks, Artisans, Exhibits, etc. There is a fee of \$25 per Thursday, collectible the night of the event, that will help offset musician fees and marketing costs. Cash is appreciated and receipts are available. We advertise the event from 5-8:00pm. If there is a line, you may stay later. The dates are: 6/9, 6/16, 6/23, 6/30, 7/7, (the next two weeks are off due to Canal Fest), 7/28, 8/4, 8/11, 8/18, 8/25.

Food trucks must obtain an appropriate health permit from Erie County and a food truck permit from the City of Tonawanda Clerk's office, located at 200 Niagara Street. The permit from the Clerk's office is for all Gateway events in the City or you may obtain a different permit to cover Gateway events and other locations in the City.

Food trucks will begin lining up on the south side of Young Street, near the intersection of Main Street and then extend down Young Street toward Delaware Street. The serving window should face Gateway Harbor so that lines can form in the street and the sidewalk by the Harbor is kept clear for pedestrian traffic.

Young Street will be closed by 4pm on Thursdays, but trucks must line up so that a lane is left open in case emergency access is necessary.

Artisans may set-up a table in the street facing the food trucks so that foot traffic will be in the street and not the sidewalk. Pop-up tents are allowed but stakes/screws in the street are not allowed.

There will be acoustic music at the Gateway corner from 5:30 to 8:00pm. Other activities are being considered.

Food Truck Name _____

Contact Person _____ **Phone** _____

Address _____

E-Mail _____

Will you be there every Thursday? If not, please let us know when you'll be there:

Examples of food/beverages to be served: _____
